簡介：

內容以簡單有趣的形式讓學生可以學習地質、岩石及認識香港壯麗的地貌。希望保育由認識開始，透過這套學習咭推廣地質普及，從而提高公眾對地質保育的意識。

It provides a media for students to learn about geology, rocks & the spectacular landforms of Hong Kong in a simple and interesting way. Conservation starts with understanding. This set of cards helps to promote geo-conservation through geo-popularization.
