15/12/2011 職業訓練局香港地貌岩石保育專題研討會

2011年12月15日上午，本會主席吳振揚博士應職業訓練局的邀請，為一群來自深圳市政府為數三十人的官員，介紹香港地貌岩石保育政策及管理。吳主席向出席的官員講述香港地質景點及岩石地貌的概況，並重點展示香港獨特的六角火山岩柱及海岸侵蝕地貌的特色。在演講的第二部分，吳主席介紹香港地質保育活動的發展，並與出席官員分享本地岩石保育政策、管理體制及經驗。同日下午，吳主席帶領深圳市的官員前往萬宜水庫東壩考察六角柱石地貌，出席者對香港的壯觀地貌印象深刻，亦非常欣賞香港政府及我會對地質地貌的致力保育。

15/12/2011 Vocational Training Council's Hong Kong Geoconservation Workshop

On 15 December 2011, Dr. Young Ng, our Chairman was invited by Vocational Training Council to conduct a workshop on Hong Kong Geoconservation Policy and Management for a group of 30 officials from the Shenzhen Municipal Government. Dr. Ng introduced to the attendees the geosites, rocks and landforms in Hong Kong. He highlighted the special characteristics of our unique of hexagonal columnar volcanic rocks and spectacular coastal landforms. In the second part of the talk, Dr. Ng shared with the attendees the development of geo-conservation including policies, management system and experience in Hong Kong. It was followed by a field trip in the same afternoon to High Island Reservoir's East Dam. The attendees were greatly impressed by the stunning landscapes of Hong Kong. They highly appreciated the concerted efforts of the Hong Kong Government and our Association in promoting geoconservation.
