

網上公眾問卷調查 - 有關香港地質公園、地質多樣性及地質保育的研究

本調查是由香港地貌岩石保育協會（AGHK）主辦，香港浸會大學國際學院（HKBU CIE）協辦。旨在了解公眾對香港聯合國教科文組織世界地質公園（HKUGGp）、地質多樣性及地質保育的認識，並收集對 HKUGGp 的重要性、參觀動機及所面對挑戰的意見。

本問卷調查對象為年滿 18 歲或以上人士。您的寶貴意見將有助於未來的教育與保育工作，以及 HKUGGp 的可持續發展。

感謝您的參與！

Online Public Survey - Study about Hong Kong Geopark, Geodiversity and Geoconservation

This online public survey is organised by the Association for Geoconservation, Hong Kong (AGHK) and supported by the College of International Education, Hong Kong Baptist University (HKBU CIE). It aims to help understand public awareness of Hong Kong UNESCO Global Geopark (HKUGGp), geodiversity and geoconservation, and to gather views on the importance, motivations for visiting, and challenges facing HKUGGp.

The survey is intended for individuals aged 18 and above. Your valuable input will contribute to future educational and conservation efforts, as well as the sustainable development of HKUGGp.

Thank you for your participation!
